DI LEGNO

101 Luna 001

Actual color may vary from picture

lastra
DI LEGNO

101 Phobos 002

Actual color may vary from picture

The background of the entire image is a close-up, vertical view of a light-colored wood plank, showing its natural grain and texture. The wood has a warm, beige tone with subtle variations in color and some faint, darker spots or knots.

lastra
DI LEGNO

101 Deimos 003

Actual color may vary from picture

A close-up photograph of a light brown wood surface, likely a floor or wall panel. The wood grain is clearly visible, showing a mix of straight and wavy patterns. A prominent dark, vertical stain or mark is visible in the center-right area. The overall color is a warm, natural wood tone.

lastra
DI LEGNO

101 Ceres 004

Actual color may vary from picture

The background of the entire image is a close-up photograph of a light-colored wood surface, showing natural grain patterns and some minor imperfections like knots and small dark spots. The wood has a warm, natural tone with subtle variations in color.

lastra
DI LEGNO

101 Pallas 005

Actual color may vary from picture

The background of the entire image is a close-up, vertical view of a wood grain. The wood has a warm, medium-brown tone with prominent, wavy patterns and some darker knots. The grain runs vertically, and the texture is clearly visible.

lastra
DI LEGNO

101 Vesta 006

Actual color may vary from picture

The image features a background of three vertical wood planks with varying grain patterns and colors, ranging from light tan to dark brown. The leftmost plank has a prominent, wavy grain, while the middle and right planks have more linear, vertical grain patterns.

lastra
DI LEGNO

101 Juno 007

Actual color may vary from picture

The background of the entire image is a close-up, vertical view of a wood grain. The wood has a warm, medium-brown tone with prominent, wavy vertical grain patterns and several dark, circular knots. The texture is natural and organic.

lastra
DI LEGNO

101 Ganymede 008

Actual color may vary from picture

The image shows a close-up of a light-colored wood surface with a vertical grain. The wood has a natural, slightly uneven texture with some minor imperfections, including a small dark knot or hole on the right side. The overall color is a warm, light beige or tan.

lastra
DI LEGNO

101 Europa 009

Actual color may vary from picture

The background of the entire image is a close-up, vertical view of a wood surface. It shows a complex grain pattern with various shades of brown, from light tan to dark, almost black, knots and streaks. The texture is highly detailed, showing the natural imperfections and organic nature of the wood.

lastra
DI LEGNO

101 Callisto 010

Actual color may vary from picture

The background of the entire image is a detailed wood grain texture, showing various patterns and knots in shades of brown and tan. The texture is vertical and runs through the center of the image.

lastra
DI LEGNO

101 Dione 011

Actual color may vary from picture

lastra
DI LEGNO

101 Mimas 012

Actual color may vary from picture

The background of the entire image is a detailed wood grain texture. It features a mix of vertical and slightly wavy lines, with varying shades of brown, tan, and grey, creating a natural, organic appearance.

lastra
DI LEGNO

101 Enceladus 013

Actual color may vary from picture

The image features a background of a wood grain texture, showing various shades of brown and greenish-brown with prominent vertical grain patterns and knots. The texture is detailed and natural-looking.

lastra
DI LEGNO

101 Tethys 014

Actual color may vary from picture

The background of the image is a dark, almost black, wood grain texture. The grain runs vertically, with subtle variations in tone and texture that give it a natural, organic feel. The lighting is slightly brighter in the center, making the wood grain more visible there.

S H A D E S O F G R A Y

The background of the entire image is a dark, textured wood grain, likely a type of oak or similar hardwood, showing natural variations in color and grain patterns. The wood is oriented vertically, with the grain running from top to bottom. The color is a deep, dark brown with some lighter, natural wood tones visible through the grain.

lastra
DI LEGNO

101 Sol 015

Actual color may vary from picture

The background of the entire image is a close-up, vertical view of a wood surface. It shows a rich, dark brown color with prominent, swirling wood grain patterns and several large, circular knots. The texture is smooth but clearly shows the natural grain of the wood.

lastra
DI LEGNO

101 Aldebaran 016

Actual color may vary from picture

The background of the entire image is a close-up, vertical view of a wooden plank. The wood has a warm, medium-brown tone with a prominent vertical grain. Several dark, circular knots are scattered across the surface, adding to its natural, rustic appearance. The lighting is even, highlighting the subtle variations in the wood's texture and color.

lastra
DI LEGNO

101 Altair 017

Actual color may vary from picture

The background of the entire image is a close-up, vertical view of a wood surface. The wood grain is prominent, showing various patterns of growth rings and knots. The color is a rich, warm brown with some darker and lighter variations, giving it a natural, aged appearance. The texture is slightly uneven, with some small imperfections and variations in tone.

lastra
DI LEGNO

101 Antares 018

Actual color may vary from picture

The background of the entire image is a close-up, vertical view of a wood grain. The grain is a mix of light and dark brown tones, with a prominent, swirling knot in the center-left area. The texture is natural and organic.

lastra
DI LEGNO

101 Arcturus 019

Actual color may vary from picture

The background of the entire image is a close-up, vertical view of a wood surface. It shows three distinct vertical planks of wood with varying grain patterns and colors, ranging from light tan to dark brown. The grain is generally vertical, with some wavy and irregular patterns. There are some dark spots and knots visible, particularly on the right side.

lastra
DI LEGNO

101 Betelgeuse 020

Actual color may vary from picture

lastra
DI LEGNO

101 Canopus 021

Actual color may vary from picture

The background of the entire image is a vertical wood grain texture, showing natural wood patterns and some minor imperfections like small dark spots.

lastra
DI LEGNO

101 Capella 022

Actual color may vary from picture

The background of the entire image is a close-up, vertical view of a wood grain. The grain is dark, with a mix of grey, black, and muted green tones. The texture is highly detailed, showing the natural patterns and knots of the wood. The lighting is somewhat uneven, creating subtle gradients across the surface.

lastra
DI LEGNO

101 Castor 023

Actual color may vary from picture

The background of the entire image is a dark, textured wood grain, likely oak, with a rich, dark brown to blackish hue. The grain runs vertically, showing natural wood patterns and knots.

lastra
DI LEGNO

101 Deneb 024

Actual color may vary from picture

lastra
DI LEGNO

101 Markab 025

Actual color may vary from picture

The background of the entire image is a close-up, vertical view of a wood surface. It shows a dark, muted greenish-brown color with subtle variations in tone and texture, including some lighter, vertical streaks and small, dark spots that suggest natural wood grain and imperfections.

lastra
DI LEGNO

101 Polaris 026

Actual color may vary from picture

The image shows a close-up of a wood panel with a vertical grain pattern. The wood has a light, muted greenish-grey color. The grain is composed of several vertical planks separated by thin lines. The texture is smooth and natural.

lastra
DI LEGNO

101 Pollux 027

Actual color may vary from picture

The background of the entire image is a close-up, vertical view of a wood grain. The wood has a warm, medium-brown tone with prominent vertical grain lines and several large, irregular knots. The lighting is even, highlighting the natural texture and color variations of the wood.

lastra
DI LEGNO

101 Procyon 028

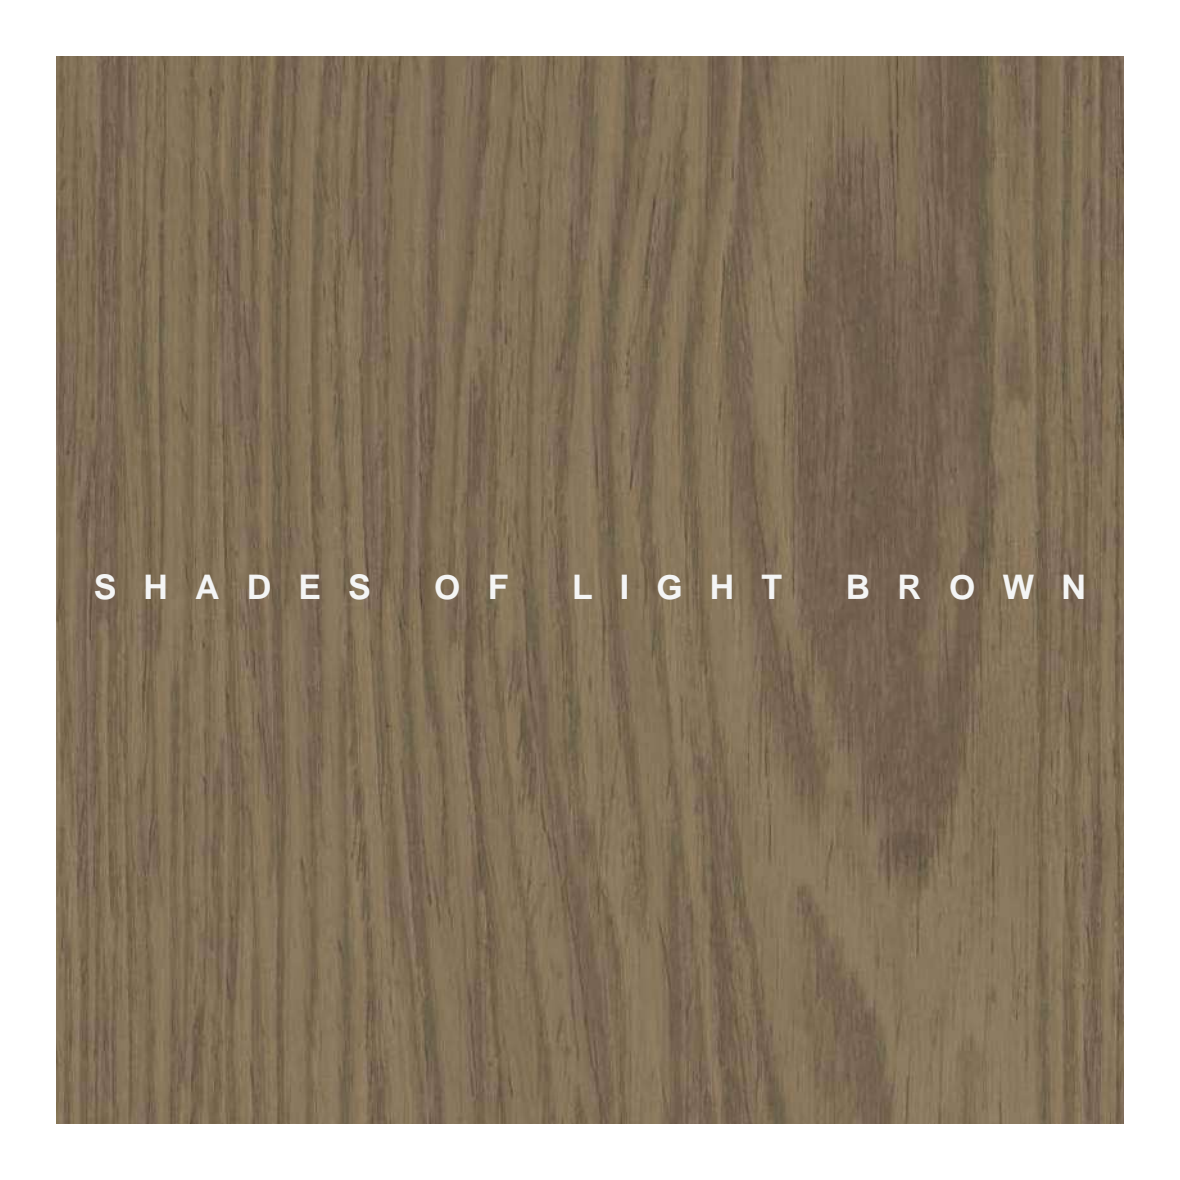

Actual color may vary from picture

The background of the entire image is a close-up, vertical view of a wood grain. The grain is characterized by wavy, vertical lines and several prominent, dark, irregular knots. The color palette is a range of natural wood tones, from light tan and beige to deep, dark browns and near-black tones, especially within the knots and along the grain lines. The texture appears smooth but with natural wood grain irregularities.

lastra
DI LEGNO

101 Rigel 029

Actual color may vary from picture

S H A D E S O F L I G H T B R O W N

lastra
DI LEGNO

101 Saturn 030

Actual color may vary from picture

The image shows a close-up of a light-colored wood surface, likely oak, with a prominent vertical grain. A vertical seam or joint is visible in the center. There are several dark, irregular stains and knots scattered across the surface, particularly a large one in the lower-left quadrant. The overall color is a warm, light tan.

lastra
DI LEGNO

101 Titan 031

Actual color may vary from picture

The background of the entire image is a vertical wood grain texture in a dark brown, almost black, color. The grain is slightly irregular and shows natural wood patterns.

lastra
DI LEGNO

101 Rhea 032

Actual color may vary from picture

lastra
DI LEGNO

101 lapetus 033

Actual color may vary from picture

The background of the entire image is a close-up, vertical view of a wooden surface. It shows several vertical planks of wood with a natural, light brown to tan color. The wood grain is clearly visible, running vertically. There are several knots and small dark spots scattered across the surface, giving it a rustic and organic appearance. The lighting is even, highlighting the texture of the wood.

lastra
DI LEGNO

101 Dione 034

Actual color may vary from picture

The background of the entire image is a close-up, vertical view of a wood surface. It shows a rich, warm brown color with a prominent vertical grain pattern. There are several knots and variations in tone, giving it a natural, organic appearance. The lighting is even, highlighting the texture of the wood fibers.

lastra
DI LEGNO

101 Tethys 035

Actual color may vary from picture

The background of the entire image is a detailed wood grain texture, showing various patterns and colors ranging from light tan to dark brown. The grain is oriented vertically.

lastra
DI LEGNO

101 Enceladus 036

Actual color may vary from picture

The background of the entire image is a close-up, vertical view of a wood surface. It shows several vertical planks with a rich, dark brown to reddish-brown color palette. The wood grain is highly detailed, with prominent wavy patterns and a central knot in the middle plank. The lighting is even, highlighting the natural texture and grain of the wood.

lastra
DI LEGNO

101 Mimas 037

Actual color may vary from picture

The background of the entire image is a close-up, vertical view of a wood surface. The wood grain is prominent, showing various shades of brown and tan with natural knots and imperfections. The texture appears slightly rough and organic.

lastra
DI LEGNO

101 Hyperion 038

Actual color may vary from picture

The background of the entire image is a close-up photograph of a wood surface with a vertical grain pattern. The wood has a warm, brownish-tan hue with subtle variations in tone and texture, including some darker spots and a prominent knot on the left side.

lastra
DI LEGNO

101 Prometheus 039

Actual color may vary from picture

The background of the entire image is a close-up photograph of a light-colored wood surface, showing vertical grain patterns and subtle variations in tone. The wood has a natural, slightly textured appearance with some minor imperfections like small dark spots.

lastra
DI LEGNO

101 Pandora 040

Actual color may vary from picture

The background of the entire image is a dark brown wood grain texture. It is divided into three vertical panels by thin white lines. The left panel shows a close-up of the wood grain with a prominent knot. The middle panel shows a similar wood grain texture. The right panel is a solid, slightly darker brown color.

lastra
DI LEGNO

101 Phoebe 041

Actual color may vary from picture

The background of the entire image is a close-up, vertical view of a wood surface. It shows several vertical planks of wood with a natural, slightly uneven texture. The wood grain is prominent, with various shades of brown, tan, and beige. There are some darker spots and knots visible, particularly in the upper right quadrant. The lighting is soft and even, highlighting the natural imperfections and grain patterns of the wood.

lastra
DI LEGNO

101 Janus 042

Actual color may vary from picture

The image shows a close-up of a wood surface with a vertical grain pattern. The wood has a rich, dark brown color with some lighter, natural wood tones and a prominent knot in the center. The texture is smooth but shows natural wood grain details.

lastra
DI LEGNO

101 Epimetheus 043

Actual color may vary from picture

The background of the entire image is a close-up, vertical view of a wood surface. It shows a rich, dark brown color with prominent, wavy wood grain patterns and several knots. The lighting is even, highlighting the natural texture and grain of the wood.

lastra
DI LEGNO

101 Helene 044

Actual color may vary from picture

The background of the entire image is a close-up photograph of a light-colored wood surface, likely oak, showing vertical grain patterns and several prominent knots. The wood has a natural, slightly uneven texture and color, ranging from pale yellow to light brown.

lastra
DI LEGNO

101 Telesto 045

lastra
DI LEGNO

101 Calypso 046

Actual color may vary from picture

The background of the entire image is a close-up, vertical view of a wooden surface. It shows several vertical planks of wood with a prominent, wavy grain pattern. The color is a warm, medium-brown or tan, with natural variations in tone and texture, including some darker spots and lighter areas. The lighting is even, highlighting the natural grain of the wood.

lastra
DI LEGNO

101 Atlas 047

Actual color may vary from picture

The background of the entire image is a close-up photograph of a light-colored wood surface, showing vertical grain patterns and several knots. The wood has a warm, natural tone with subtle variations in color and texture.

lastra
DI LEGNO

101 Pan 048

Actual color may vary from picture

The background of the entire image is a close-up, vertical view of a wooden surface. It shows several vertical planks of wood with a rich, warm brown color and a prominent, wavy grain pattern. The lighting is even, highlighting the natural texture and slight variations in tone across the wood.

lastra
DI LEGNO

101 Ymir 049

Actual color may vary from picture

The background of the entire image is a close-up photograph of a wooden surface, showing vertical wood grain patterns and various natural imperfections like knots and color variations. The wood has a warm, medium-brown tone.

lastra
DI LEGNO

101 Paaliaq 050

Actual color may vary from picture

The background of the entire image is a close-up photograph of a light-colored wood grain, likely oak, showing vertical planks with natural knots and grain patterns.

lastra
DI LEGNO

101 Siarnaq 051

Actual color may vary from picture

The background of the entire image is a close-up photograph of a light-colored wood surface, likely oak, showing a vertical grain pattern with various knots and natural imperfections. The wood has a warm, golden-brown hue.

lastra
DI LEGNO

101 Tarvos 052

Actual color may vary from picture

The background of the entire image is a close-up photograph of a light-colored wood surface, showing natural grain patterns, knots, and some minor imperfections like a small crack and a dark stain. The wood has a warm, yellowish-brown tone.

The background of the entire image is a close-up photograph of a wood surface with a prominent vertical grain. The wood has a warm, golden-brown hue with darker, wavy patterns and some natural knots. The texture is smooth but shows the natural grain of the wood.

lastra
DI LEGNO

101 Skadi 056

Actual color may vary from picture

The image shows a close-up of a light-colored wood surface with a vertical grain pattern. There are several knots and natural imperfections visible in the wood. The color is a warm, light tan or beige.

lastra
DI LEGNO

101 Mundilfari 057

Actual color may vary from picture

The image shows a close-up of a wood surface with a vertical grain pattern. The wood has a warm, medium-brown tone with natural variations in color and texture, including some knots and grain irregularities.

lastra
DI LEGNO

101 Erriapo 058

Actual color may vary from picture

The background of the entire image is a close-up photograph of a light-colored wood surface, showing vertical grain patterns and several small, dark knots or imperfections. The wood has a warm, natural tone.

lastra
DI LEGNO

101 Albiorix 059

Actual color may vary from picture

The background of the entire image is a close-up, vertical view of a wood surface. It shows a natural wood grain with varying shades of brown, from light tan to dark, almost black, spots and streaks. The texture is organic and slightly uneven.

lastra
DI LEGNO

101 Suttung 060

Actual color may vary from picture

The image shows a close-up of a light-colored wood plank with a vertical grain. There are several knots and natural imperfections visible on the surface. The wood has a warm, yellowish-tan hue.

lastra
DI LEGNO

101 Delphinus 061

Actual color may vary from picture

The background of the entire image is a close-up, vertical view of a wood surface. The wood has a warm, medium-brown tone with a prominent vertical grain. There are several large, dark, swirling knots scattered across the surface, particularly in the upper and lower halves. The texture appears smooth but with natural wood grain irregularities.

lastra
DI LEGNO

101 Equuleus 062

Actual color may vary from picture

The background of the entire image is a close-up photograph of a light-colored wood surface, likely oak, showing a prominent vertical grain pattern and several dark knots. The wood is composed of several vertical planks separated by thin lines.

lastra
DI LEGNO

101 Suttung 063

Actual color may vary from picture

The background of the entire image is a vertical wood grain texture, showing natural wood patterns and colors ranging from light tan to dark brown. The texture is consistent across the entire frame.

lastra
DI LEGNO

101 Eridanus 064

Actual color may vary from picture

The background of the entire image is a close-up, vertical view of a wood grain. The grain is a mix of light tan and medium brown tones, with prominent wavy patterns and several dark, circular knots scattered throughout. The texture is natural and organic.

lastra
DI LEGNO

101 Carina Puppis 065

Actual color may vary from picture

The background of the entire image is a close-up photograph of a light-colored wood surface, likely oak, showing a prominent vertical grain pattern with various knots and natural imperfections. The wood has a warm, golden-brown hue.

lastra
DI LEGNO

101 Vela 066

lastra
DI LEGNO

101 Apus 070

Actual color may vary from picture

The background of the entire image is a dark, rich wood grain texture, likely a type of oak or similar hardwood, showing natural grain patterns and knots. The color is a deep, dark brown with some lighter, greenish-brown undertones, suggesting a specific stain or finish.

lastra
DI LEGNO

101 Pavo 071

Actual color may vary from picture

A close-up photograph of a dark-stained wood surface, likely oak, showing a prominent vertical grain pattern. The wood has a rich, dark brown to blackish hue with natural variations in tone and texture. The grain consists of vertical lines and wavy patterns, characteristic of oak. The lighting is even, highlighting the natural grain structure.

lastra
DI LEGNO

101 Grus 072

Actual color may vary from picture

The image shows a close-up of dark-stained wood planks. The planks are arranged in a staggered pattern, with some showing a prominent vertical grain and others showing a more horizontal grain. The color is a deep, rich brown with some lighter, natural wood tones visible through the stain.

lastra
DI LEGNO

101 Phoenix 073

Actual color may vary from picture

The image shows a close-up, vertical view of a dark wood surface. The wood grain is prominent, with various shades of brown, from deep chocolate to almost black tones, creating a rich, textured appearance. The grain runs vertically, with some horizontal lines indicating the joints between planks.

lastra
DI LEGNO

101 Tucana 074

Actual color may vary from picture

The background of the entire image is a dark, rich brown wood grain texture, showing vertical lines and natural wood patterns.

lastra
DI LEGNO

101 Indus 075

Actual color may vary from picture

The background of the entire image is a dark, rich brown wood grain texture. The grain runs vertically, showing natural wood patterns and knots. The lighting is slightly uneven, creating subtle gradients of brown and dark brown across the surface.

lastra
DI LEGNO

101 Chamaeleon 076

Actual color may vary from picture

The background of the entire image is a close-up, vertical view of a dark wood surface. The wood grain is prominent, showing various shades of brown, from deep chocolate to almost black tones, with natural knots and grain patterns visible. The texture appears slightly grainy, typical of a wood finish.

lastra
DI LEGNO

101 Musca 077

Actual color may vary from picture

The background of the image is a dark brown wood grain texture, oriented vertically. The grain lines are closely spaced and run from top to bottom, creating a subtle, organic pattern. The color is a rich, dark chocolate brown.

S H A D E S O F R E D B R O W N

The background of the entire image is a close-up, vertical view of a wood surface. The wood grain is prominent, showing a mix of light and dark brown tones with natural knots and variations in texture. The lighting is even, highlighting the natural patterns of the wood.
